## THE DENALI SOCIETY

---

*The Denali Society was established to recognize those individuals and businesses that support the important work of Alaska Pacific University in a substantial manner. Through annual gifts of \$1,000 or more, Denali Society members set an exemplary standard of giving for others.* 

## WHY JOIN?

*Alaska Pacific University is a private, independent university providing both undergraduate and graduate programs, and unique educational opportunities for students*

*of all ages and interests. Because APU is both a not-for-profit organization, and receives no financial assistance from the State of Alaska, we rely on the generous support of our alumni and friends in the community in order to continue our mission.*

*Please consider becoming a benefactor of both the University and its students by becoming a member of the Denali Society. Your gift will allow us to continue providing exceptional opportunities for the intellectual growth and career preparation of our students.* 

## HOW TO JOIN

---

*Your annual contribution of \$1,000 or more enrolls you as a valued member of The Denali Society. Members' gifts are payable by June 30 of any given year and may be made at one time or paid in installments over the period of the year.*

*For more information or to become a member, please contact the APU Office of University Advancement at (907) 564-8250, or email us at [devoff@alaskapacific.edu](mailto:devoff@alaskapacific.edu).*
