Dear Alumni and friends,

On behalf of the Alumni Reunion Planning Committee, I am delighted to inform you that the plans for Alaska Pacific University (APU) alumni event scheduled for June 24-28, 2015 have been finalized. The Planning Committee is committed to making this a memorable event for alumni, current and former APU faculty, and friends who attended APU between 1979 and 1985. In addition to the gala event scheduled for Friday, June 26, 2015, participants will have the opportunity to provide community service, tour APU facilities, and go on an excursion to an historical site. The highlight of this event will be the announcement of the establishment of the International Student Scholarship.

Please complete a Registration Form along with your registration fee and contributions by **May 29, 2015** to:

Thank you very much for your cooperation, contributions, and support of this effort, a once in a lifetime opportunity to reunite with old friends and meet current and retired faculty and staff. Whether you graduated or attended Alaska Pacific University a few years or a quarter-century ago, gathering with fellow APU alums holds special significance. We hope you will join us in Anchorage for a weekend celebration and reflection – all of us have stories to share.
