APU CAMPUS SAFETY ANNUAL REPORT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act) requires higher education institutions to provide timely warnings of crimes that represent a threat to the campus community and to publish their campus security policies. The Act also requires that the crime data are collected, reported, and disseminated to the campus community, the Department of Education, and potential students and employees. Your safety and security are of utmost importance at Alaska Pacific University. It is our policy to comply with the Clery Act and provide you with required information. This 2019 Campus Safety Report contains important information from the previous three calendar years (2016-2018) concerning reported offenses, crimes, and disciplinary referrals that occurred on campus and in certain off-campus buildings owned or controlled by the University. The report also includes institutional policies concerning campus safety, alcohol and other drug use, crime prevention strategies, how to report crimes and other related matters.

APU campus crime and arrest statistics are compiled by the Campus Safety Department from records maintained by the Campus Life Office, the Dean of Students Office and local law enforcement agencies. The Dean of Students Office, in conjunction with the Campus Life Office, compiles information regarding student conduct proceedings and referrals. The yearly Campus Safety Report, including supplemental documentation, is created and maintained by the Dean of Students Office and the Campus Safety Office.

CAMPUS SAFETY OFFICE

The Campus Safety Office employs full time safety officers as well as student assistants. They monitor and generally maintain order on University property. Officers also provide special services unique to the University setting. Those services include maintaining security of University buildings, providing crime prevention classes to students and employees, organizing parking and parking rules, providing safety escorts on the campus, maintaining the campus lost and found, building and room unlocks, and vehicle jumpstarts.

The Campus Safety Office employs one full time professional staff member who works under the guidance of the Campus Life Office and the Dean of Students Office. There is one nighttime professional staff member and up to five Campus Safety Assistants who are employed as well.

A member of Campus Safety is available by phone 24 hours per day, 365 days per year. Campus Safety can be reached at (907) 564-8888 or by using one of four emergency call boxes placed throughout campus (Moseley Sports Center, Carr-Gottstein, Atwood Center, and Grant Hall). Campus Safety can also be contacted using the APU Safe App (see the Timely Notification

section below for more information on the APU Safe App). If a call is made on campus to 911, the 911 operator will subsequently follow up with APU Campus Safety after the call is concluded. The Campus Safety office is located in the Atwood Center on the first floor.

LOCAL AGENCY COOPERATION

The APU Campus Safety Office has established working relationships with national, state, and local law enforcement authorities. Campus Safety staff work with the Anchorage Police Department, Alaska State Troopers, and the University of Alaska Anchorage University Police Department when matters are out of scope.

The Alaska State Troopers and Anchorage Police contribute their information of campus crime and arrest statistics to assist APU in the compilation of their annual statistics.

ENFORCEMENT

Campus Safety recognizes federal, state, and local laws as well as University rules, regulations, and policies. However, Campus Safety Officers do not have police power and are not authorized to carry firearms. Any campus incident requiring an arrest is referred to the Anchorage Police Department.

APU CRIME LOG AND PUBLIC NOTICE OF CRIMINAL ACTIVITY

The Campus Safety Office maintains a daily log of all allegations of crimes reported to have occurred on campus. The log maintains basic information on the event, including the nature of the event; the time, date, and location of the event; the date and time the event was reported; and the disposition of the complaint.

The log of the past 60 days is available upon request (9AM-5PM) from the Campus Safety Office. Information may be temporarily withheld if certain circumstances are met, including jeopardizing an on-going investigation at the law enforcement level or jeopardizing the safety of an individual.

TIMELY NOTIFICATION/EMERGENCY/CRISIS RESPONSE

Alaska Pacific University has incorporated the national standard 30-minute response when notifying the campus community of possible emergency/crisis incidents on campus. When circumstances warrant, the Dean of Students Office, Campus Safety, and/or the Department of Campus Life issue special crime alerts. Depending on the circumstance, alerts are distributed campus-wide or to selected populations (i.e., residential students). Alerts may be distributed in several different ways: posting on campus bulletin boards, building entries, or other public places; fax, voice mail, or e-mail transmissions to University staff and students; announcements in classes; or official press releases.

APU Safe is the University's Campus Safety app which contains alerts, emergency contact information, crime tip reporting, emergency plans, parking services information, and other support resources. The APU Safe App can be downloaded for free for most mobile phone platforms.

The Emergency Response Team meets during the academic year to discuss, plan, and address either current or potential incidents which may affect APU's campus. For further information regarding APU's Emergency Response Preparedness, please visit:

<http://www.alaskapacific.edu/campus-safety/policies-and-procedures/timely-notificationemergencycrisis-response/>

The group also meets to discuss campus safety awareness, concerns, and recommendations for improvement.

CAMPUS SECURITY REPORT

APU campus crime and judicial statistics are compiled by the Dean of Students Office. The yearly Campus Security Report, including supplemental documentation, is created and maintained by the Dean of Students Office, (907) 564-8287.

OFF-CAMPUS SAFETY REPORTS

Two police agencies near to the APU campus publish crime statistics on websites listed below. The University of Alaska Anchorage reports crime statistics for their campus which is adjacent to part of the APU Campus at: <http://www.uaa.alaska.edu/safety/>

The Municipality of Anchorage has crime density maps for the municipality at: <http://www.muni.org/apd1/DensityMaps.cfm>

CAMPUS SECURITY AUTHORITIES

Federal law maintains that any person who has a significant responsibility for student and campus activities is a Campus Security Authority. A Campus Security Authority is required by law to report incidents and/or crimes and cannot promise confidentiality.

The following individuals are designated as Campus Security Authorities:

- Campus Safety Office staff
- Dean of Students
- Dean of Students Office staff
- Campus Life staff, including resident advisors and peer mentors
- Student organization advisors.

REPORTING A CRIME

Students and employees are strongly encouraged to report all campus crime to the Campus Safety Office. The University educates students and employees about their abilities to report crimes to other entities i.e., (Anchorage Police, Alaska State Troopers) and the right to pursue their full range of legal options.

APU employees are responsible for reporting campus crimes to their supervisors and to the Campus Safety Office when they are a direct witness to a crime or when a student reports a crime to them.

CONFIDENTIAL REPORTING

Students wishing to report a campus crime confidentially may meet with a counselor in the Counseling and Wellness Center. With the student's permission, the counselor/health care provider will forward basic information about the crime i.e., (date, location, and type of crime) to the Dean of Students to be included in annual campus crime statistics.

Other University personnel designated as a Campus Security Authority are required by law to report incidents and/or crimes and cannot promise confidentiality.

BUILDING ACCESS

Most campus educational buildings and facilities are accessible to members of the community and visitors. During the academic year, normal business hours are maintained Sunday through Saturday. During semester breaks, hours of access may be greatly reduced. Most buildings are closed to all but employees for University observed holidays.

BUILDING MAINTENANCE

The University maintenance staff responds to all requests for repairs. If you need to have University property repaired please submit a work order with Facility Management online under MyAPU or by calling (907) 564-8230.

Campus Safety maintains security of all campus buildings and lock buildings beginning at 11:00 pm. Campus Safety unlocks the buildings at 7:00 am, unless a special request has been made. Campus Safety staff patrols the Anchorage campus and walk through buildings daily.

RESIDENTIAL FACILITIES

The APU Campus provides on-campus housing for 100 students. Traditional residence halls are secured 24 hours a day and accessible only by residents through a card-key system. Access to residential community living spaces is restricted to residents of a specific residence hall or apartment, and their escorted guests. Guests must be escorted by a resident at all times. In all areas, resident advisors are on duty from 5:00 p.m. to 9:00 a.m. weekdays and 24 hours a day on weekends and University holidays.

CAMPUS SAFETY AWARENESS & PREVENTION

APU strives to create safe and secure environments where students flourish. Some program highlights include: Safety Tips, Basic Self Defense, Disaster Response Training, Bystander Intervention, Sexual Consent, and Sexual Assault Prevention. Campus Life takes extra steps to educate students about safety. Emails are sent out through the Dean of Students Office and the Campus Safety Office regarding important information including but not limited to: Emergency Notification sign ups, Clery Act reporting, and wildlife danger. Students are provided access to the Campus Life Handbook and Student Handbook which includes guidelines on how to remain safe in a residential living environment, including fire safety, discrimination, Title IX, physical violence, and other tips. Students in the residential community also have monthly meetings that feature relevant safety information. Fire drill evacuations occur in the residential community every semester.

APU employees participate in Building Response Teams which are trained to conduct building searches, mitigate active shooter risks, crowd control, and radio use. Many BRT members are certified emergency responders. Both BRT and Risk Management meet several times to feature future training topics. In August 2017, August 2018, and August 2019, all APU employees have attended trainings to discuss Title IX, Emergency Preparedness, and University Policies. Both staff and faculty meet monthly during the academic year to discuss relevant topics and new trainings and there are annual new staff and faculty orientations.

CAMPUS SAFETY AWARENESS & PREVENTION DEFINITIONS

Risk Reduction: Options designed to decrease perpetration and bystander inaction, and to increase empowerment for survivors in order to promote safety and to help individuals and communities address conditions that facilitate violence.

FIRE SAFETY

Every semester, campus building evacuation drills occur across the entire campus to prepare for an unexpected building evacuation. In our residential buildings, evacuations and safety inspections occur each semester. A list of appropriate fire safe appliances is available in the Housing and Residence Life Handbook. The fire safety and sprinkler system is as follows:

North and South Atwood: There is one smoke/heat detector for each main common area and corridor throughout these buildings. One smoke/heat detector is in each residential room and main common area within a suite. Audible and visual alarms are located in each residential room and each common area in a suite, as well as the main common areas of the buildings. North and South Atwood have a sprinkler system.

- The parents or guardians of any student under 18 year of age (who is not emancipated) who is reported missing will be contacted.
- A notification will be sent to President's Council and information disseminated as needed to faculty and staff directly associated with the missing individual.
- Local law authorities will be contacted and utilized to help find the student and emergency contacts if needed.

SEXUAL ASSAULT, SEXUAL VIOLENCE, & HARASSMENT

If you are sexually assaulted, stalked, harassed, or have otherwise been the victim of sexual violence, we urge you to seek medical and psychological help as soon as possible. If you feel comfortable, you may seek assistance directly from the Dean of Students office, the Counseling and Wellness Center, Campus Life Office, or Human Resources. There is also help available from a number of other sources. You are encouraged to consider calling the police soon after any assault – even if you don't plan on pressing criminal charges or a civil complaint.

Anchorage's Police Department has specially trained workgroups to help a person who has been sexually assaulted (Anchorage Police Department (907) 786-8500 or 911). If you don't feel comfortable calling the police, contact S.T.A.R. (Standing Together Against Rape) 24-hour Rape Crisis Line (907) 276-7273 and/or visit their website at: <http://www.staralaska.com>

A "victim advocate" will contact you and offer objective professional advice about the situation to help you decide how to proceed. What is important is that you tell someone what happened.

If you believe you have been harassed by a college employee, member of the faculty, or another student you are urged to contact the Title IX Coordinator (907-564-8890), the Director of Campus Life office (907-564-8299), the Provost (907-564-8209), or the Human Resources Director (907-564-8265). These specially trained college employees will work with a student complainant to determine whether an informal or formal process is necessary to correct the problem.

ANCHORAGE COMMUNITY SEXUAL ASSAULT RESOURCES

STANDING TOGETHER AGAINST RAPE (STAR)

STAR offers a wide variety of services statewide. If you are a victim of sexual assault, incest, or child sexual abuse, if you have a friend or family member who is a victim, or if you have questions regarding sexual violence, please call the 24-hour Crisis and Information Line for information and support. All services are free and confidential.

STAR'S MISSION

The mission of Standing Together Against Rape, Inc., (STAR) is to provide the best quality of crisis intervention, education, and advocacy services to victims of sexual assault and sexual abuse, and their families and our community.

SEXUAL ASSAULT RESPONSE TEAM (SART)

The Sexual Assault Response Team is made up of three components:

Law Enforcement: This is either a State Trooper or a police officer usually from APD. This component of the team takes the victim's statement and does the investigation.

Nurse Examiner: This is a specially-trained Sexual Assault Nurse Examiner (sometimes referred to as a SANE) who serves as the medical component of the team. The nurse gathers the forensic evidence, asks necessary medical questions, and attends to any medical needs that are present.

STAR Advocate: The Advocate's role is solely to support the victim. The Advocate can be present during both questioning and evidence collection. The victim dictates to what degree the Advocate provides support, from asking the Advocate to leave to having the Advocate be present for the entire process.

The three components of STAR come together at the same time. The victim tells her/his story once, keeping further feelings of victimization to a minimum. In Anchorage, STAR conducts medical examinations at Alaska Regional Hospital.

PROTECTIVE MEASURES INFORMATION

The following protective measures may be offered following an allegation of dating violence, domestic violence, sexual assault, or stalking: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home. University offices will work cooperatively to ensure that the complainant's health, physical safety, work, and academic status are protected, pending the outcome of a formal University investigation of the

complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services, visa and immigration assistance, and assistance in notifying appropriate local law enforcement. The victim is required to apply directly for these services.

No Contact Orders – The University cannot apply for a legal order of protection but may issue a campus no contact order. The Office of the Dean of Students may issue a campus no contact order at the recommendation of the Campus Safety Office or Campus Life Department or at the request of the complainant or accused.

SEX OFFENDER GENERAL INFORMATION

The Campus Sex Crimes Prevention Act is a federal law which provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. The Act's intent is to extend the protections of sex offender registries to college campuses. Sex offenders who must register with the State of Alaska must also provide notice to the State that they are employed by, carry on vocation at, or are a student at APU. Information concerning registered sex offenders may be obtained from the Alaska Department of Public Safety through the following web site: <http://www.dps.state.ak.us/sorweb>

Sex offenses are separated into two categories: forcible and non-forcible¹.

- a) *Sex Offenses—Forcible* is defined as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent (forcible rape/forcible sodomy/sexual assault with an object/forcible fondling).
- b) *Sex Offenses—Non-forcible* is defined as unlawful, non-forcible sexual intercourse (incest/statutory rape). Statutory Rape is non-forcible sexual intercourse with a person who is under the statutory age of consent.

- a. In Alaska, the statutory age of consent is 16. It is illegal for an adult (someone 18 or older) to have sex with a minor (someone younger than 16), even if the sex is consensualⁱⁱ.

ii.) <http://www.legis.state.ak.us/basis/folio.asp> (AK. Stat. Ann. § 11.41.434)

RAPE

Definition: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

This definition includes either gender of victim or offender. Sexual penetration means the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, or by a sex-related object. This definition also includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consentⁱⁱⁱ.

iii.) <https://www.fbi.gov/about-us/cjis/ucr/nibrs/summary-reporting-system-srs-user-manual>

HATE CRIME

A hate crime is a crime that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim's race, gender, gender identity, religion, sexual orientation, ethnicity, national origin, or disability. Hate crime statistics include the crimes listed in the table on page 16, in addition to simple assault; intimidation; destruction, damage, or vandalism of property; or any other crime that involves bodily injury to any person.

LIQUOR LAW VIOLATIONS

The violation of laws or ordinances prohibiting the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to a minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; and all attempts to commit any of the aforementioned. Drunkenness and driving under the influence are not included in this definition. *Statistics below do not include disciplinary actions that were strictly a result of school policy violations.*

NON-CAMPUS

University locations not reasonably contiguous to the main campus.

PUBLIC PROPERTY

All public property, including thoroughfares, streets, sidewalks, and parking facilities, that are within the APU Campus.

REMOVAL OF CRIMES

APU may withhold and later remove an “unfounded” report from its crime statistics in the rare event that a sworn or commissioned law enforcement officer makes a formal determination that the crime is false or baseless. An incident may be labeled “unfounded” only after a full investigation, but not, for example, when the victim refuses to cooperate with prosecution. Institutions must report yearly the number of sexual assaults that law enforcement has determined to be “unfounded.”
