### 2020-2021 Verification Worksheet - Group V4 or V5 Dependent Students

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal law states that before awarding Federal Student Aid, we must ask you to confirm the information you and your parent(s) reported on your FAFSA. To do this, we will compare your FAFSA with the information on this institutional verification document and any supporting documents. If there are differences, your FAFSA information may need to be corrected and/or we may ask for you to submit additional documentation. **You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents and submit the form to us within ten business days.** If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
