

# Alaska Pacific University Spring Creek Farm Community Supported Agriculture (CSA) Enrollment Form 2021 Season

We offer two CSA share size options: a full share and a half share.

Both share options are picked up weekly for the entire growing season.

The CSA will run for 18 weeks total, beginning the second or third week of June.

A full share typically feeds a couple or family, while a half share feeds an individual or couple.

Registration is not guaranteed until payment is received and you have received confirmation of an available spot.

To learn more about our CSA and other programs, please CSA FAQs document.
